ty of luau these days. Parties can
make appointments and get most rea-
sonable rates.

If your relative or friend owns a
phonograph, what better present
could you make than some new Victor
records—bought at the Bergstrom
Music Co., Ltd.

The Voghe Company, on Pauahi
street near Nuuanu, is making up
some very pretty goods for the Christ-
mas trade, especially handkerchiefs
and fancy articles.

Crystal White soap is a present ev-
ery day in the year, and at the same
time a joy to those who have to do
the cleaning about the house. Try it
on the next cleaning day.

cident, written by Castle & Cooke, Ltd.,
will make the little wife feel safer for
the next year or so.

Do you know that a copy of "Bits of
Verse From Hawaii" will make one of
the nicest Christmas presents that
you could send to your friend on the
mainland? You can find it at any of
the bookstores.—advertisement.

The Electric Shop on Fort street
opposite Pauahi has a few of those
specially purchased electric lamps
that are going at a price far below the
regular charge for such articles. See
them in the window. They go from
\$6 to \$8.

No lover of plants, orchids or palms
should miss the sale of a lot of these
choice plants at Steven's auction
rooms Thursday, at 10 o'clock. It will
be a chance to get the best, as they
are from the nurseries of Mrs. Taylor,
up Nuuanu.

Arleigh's, with the big stock of
toys and other holiday goods, want a
share of the holiday trade, and one
could make a pretty close guess that
they go swimming in and out of the
Hotel street toy emporium.

On Sunday, December 21, there is
going to be something doing on,
through and above the water, accord-
ing to Tom Gunn, the noted birdman
who is here at present. There will
be all kinds of races arranged, with
prizes that will be worth contending
for.

"The very thing—a kodak." A kodak
is sure one of the most enjoyable
presents that can be given to a friend
or relation, and the best of it is that
the novelty of the gift never wears off.
Every time the bulb is pressed there is
a new joy in store for the owner.
Take a look over page 10 of this issue.
It is most interesting.

E. O. Hall & Son have a sign on the
door which reads "Step In and Look
Around." Anybody who does not
take advantage of that "invite" will
lose one of the sights of his or her
life. The big store, filled from founda-
tion to roof, with the novelties
characteristic of the holidays, is
worth a few moments of anybody's
time. Step in and look around.

The Wall, Nichols Company seems to
be about the busiest "Santa Claus"
headquarters on the face of the earth
at the present time, and there is no
prospect of a let-up during the rest of
the week. The immense stock is being
kept up to the top notch, but
during the coming week there will be
some heavy runs made on it without
a doubt. Right now is the time to
make your selections while there is a
large variety to choose from.

The Vieira Jewelry Company, will,
for the next few days, make a re-
duction on the price of diamonds that
will certainly be an inducement to
anybody seeking a gift along that line
of jewelry, and it will be money in
pocket to look over the fine stock they
have to show. Take a look in the
store anyhow, as there are thousands
of other things there for the holiday
trade that can be had quite reason-
able.

The night school classes at the

came to a close last evening for the
Christmas holidays, and are sched-
uled to open for the spring term Jan-

TAKES OFF DANDRUFF HAIR STOPS FALLING

Girls! Try this! Makes hair thick,
glossy, fluffy, beautiful—No
more itching scalp.

Within ten minutes after an applica-
tion of Danderine you cannot find a
single trace of Dandruff or a loose or
falling hair and your scalp will not
itch, but what will please you most
will be after a few weeks' use, when
you will see new hair, fine and downy
at first—yes—but really new hair—
growing all over the scalp.

A little Danderine immediately
doubles the beauty of your hair. No
difference how dull, faded, brittle and
scraggy, just moisten a cloth with
Danderine and carefully draw it
through your hair, taking one small
strand at a time. The effect is amaz-
ing—your hair will be light, fluffy and
wavy, and have an appearance of
abundance; an incomparable lustre,
softness and luxuriance.

Get a 25 cent bottle of Knowlton's
Danderine from any drug store or tol-
let counter, and prove that your hair is
as pretty and soft as any—that it has
been neglected or injured by careless
treatment—that's all—you surely can
have beautiful hair and lots of it if
you will just try a little Danderine—
advertisement.

Under the direction of Charles F.
Loomis, secretary of the boys' depart-
ment of the Young Men's Christian
Association, 14 boys left the associ-
ation building this morning on the
first leg of a hike to Kaneohe Bay,
where they will spend four days at
the Theodore Richards cottage. Each
carried his own ration, and there
will be plenty of interesting things
to do on the other side, including
swimming, fishing and sailing. Be-
sides the secretary, those making the
trip are Dudley Pratt, Dixon Hitch-
cock, Harlan Benner, Henry Cooke,
Dick Gartley, Howard Smith, Ray-
mond Scudder, Tom Singlehurst,
Maynard Davidson, Lewers Paris, Ol-
iver Emerson, Chas. Sutherland, Ed-
win Benner and Raymond Ebersole.
D. Howard Hitchcock will spend two
days with the party.

On the ground of desertion, Circuit
